Before the court is Plaintiff Greg Garrison’s administrative motion to file under seal Exhibit B to the Tyler J. Belong Declaration filed in support of Garrison’s motion to compel further initial disclosures from Defendant Oracle Corporation. Consistent with Civil L. R. 79-5, the motion is DENIED without prejudice for the following reasons:

1. The documents offered in the administrative motion to file under seal contain unexplained highlighting.
2. The portions to be sealed are not highlighted in the unredacted submission.

3. The proposed order does not list in table format each narrowly-tailored portion sought to be sealed.

The requesting party is free to resubmit an error-free administrative motion to file under seal no later than March 20, 2015.

**SO ORDERED.**
